

Grace Presbyterian Church

SUNDAY PRAYER GUIDE

PRAISE: PRAISE GOD FOR WHO HE IS...

- his sovereignty and his faithfulness.
- his grace and mercy and forgiveness.
- his steadfast love and compassion.

THANKS: THANK GOD FOR HIS MANY BLESSINGS...

- the gift of his Son, our savior.
- for our vibrant church family.
- for personal needs met; food on our tables.
- for God's work in our midst, as he draws people to himself.

REQUESTS: ASK GOD TO PROVIDE FOR THE NEEDS OF...

OUR CHURCH:

- that people attending Grace Pres. would grow in their walk with God.
- for more people to come to Grace and be changed by the work of the gospel.
- for our church's financial needs to continue to be met.
- for all in leadership roles at our church (e.g.: Teachers, Youth Leaders, Staff, and Elders still leading remotely)
- for our new Discipleship Program to thrive and encourage many as they mature in Christ
- Pray for our Stony Brook church plant. For God's perfect provision for its future leaders and congregation.
- Pray for wisdom as we work to minister to our congregation and our community during this pandemic.
- Pray for our Christianity Explored class that will be offered this spring. That many would come and be transformed by the gospel.

OUR COMMUNITY

- for many people in our community to come to know Christ and his saving power.
- for other churches in our community to preach the gospel and thrive spiritually.
- for provisions for those in need of food and shelter and work. Especially in the midst of this pandemic.
- For the health and safety of all essential workers and health care workers during this Covid-19 Crisis.
- for our elected officials, leaders, teachers, and law enforcement officers.
- For progress regarding racial reconciliation and human rights to take place in our local communities.
- For administrators and staff at our local schools to have wisdom, safety, and endurance in this complicated Covid season.

OUR NATION

- for spiritual revival in churches nationwide.
- for peace and progress for our nation that is politically divided and struggling in this time of transition.
- Wisdom for our leaders as they respond to needs and make plans regarding the coronavirus.
- For progress regarding racial reconciliation and human rights to take place in our nation.

OUR WORLD

- For refugees in crisis in areas like Syria and South Sudan
- For protection and guidance in our nation's foreign relations with Korea, the Middle East, Russia, China, etc.
- For the health and economy of our world in the midst of this global pandemic.

INDIVIDUAL

- Please pray for Linda Dupree who has been battling cancer while also dealing with a weak heart. Praise God that she has been receiving good reports from her doctors. Pray for her ongoing treatments to be effective and provide a successful outcome. As well as for her heart to stay strong. May God provide perfect peace, wisdom for doctors, and comfort for her entire family.
- Please pray for Frank Krzyzewski who is dealing with injuries related to a fall at work. Frank has had multiple surgeries and his last surgery was on the 27th of January. He is healing well, however, while doing the surgery the Dr. assessed that Frank would need still another surgery. Please pray for full healing, comfort and patience for Frank and the whole family as he is slowly mended on this long road to recovery.
- Please pray for Melissa Pombo's grandmother, Kate, who fell and broke her hip a while back. She had a successful surgery and is now in rehab, however there she is struggling with loneliness and depression as well as dementia. Pray for God's peace, comfort, and strength for her and her family.
- Pray for all the friends and family members that we know who are battling the coronavirus or have lost a loved one during the pandemic.
- Praise God for the birth of Tom Hashagan and Lisa Shaw's granddaughter, Laila Winter Hashagen. She is healthy and doing well and bringing much joy to their family.
- Praise God for the healing of Amanda Jones baby cousin, Claire, who spent a few weeks in the NICU after being born with low platelet levels. Praise God that the doctors were able to diagnose and treat the issue and now she is home and healthy.
